

Requesting Post-Training Mentoring Hours in BechConnect

To request mentoring hours through **BechConnect**, submit a **new request** the same way you normally would when contacting an expert.

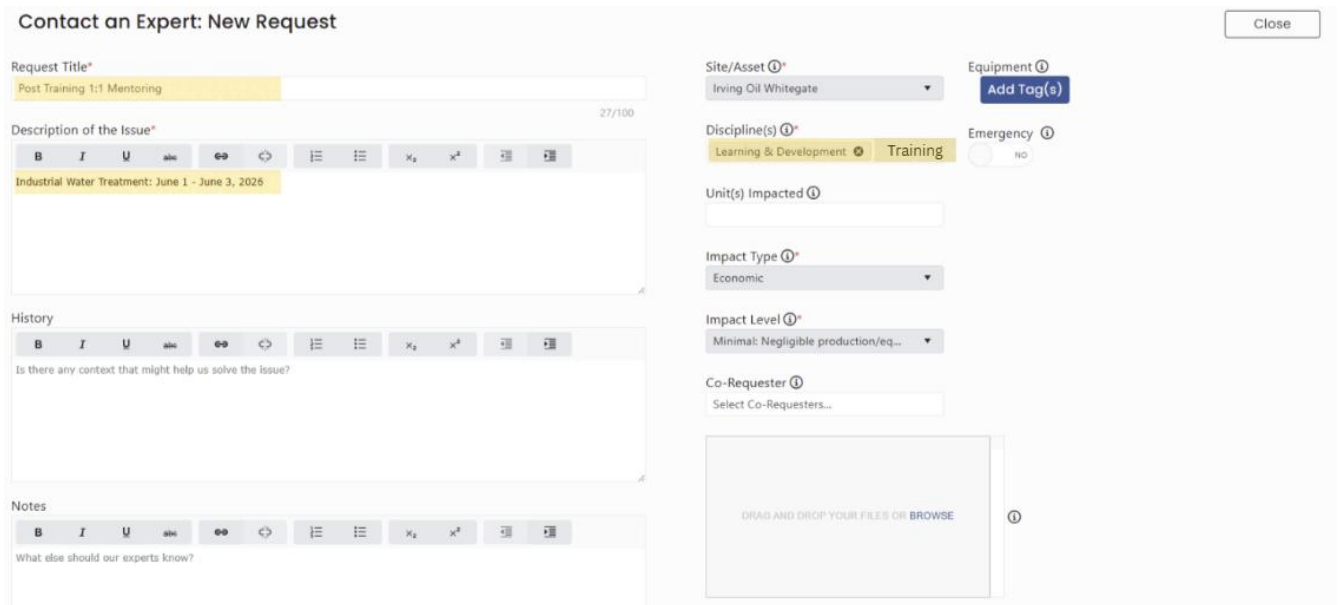

To help speed up processing, please use the following details:

1. **Request Title:** **Post Training 1:1 Mentoring**
2. **Issue Description:** Include the **course name** and the **course date** you are following up on.
3. **Discipline:** Select **Learning and Development OR Training**

Different clients may see different disciplines, both will connect you.

4. **History/Notes:** Add any context or additional details that may be helpful for the instructor to know. You will be sent a pre-mentoring form to help guide the conversation.

An example request is attached for reference.
