

Post-Training: What's Next?

Congratulations on completing your training! Here are some recommended next steps to help you apply what you've learned and keep the momentum going:

STEP 1 Update Your Professional Profile

Add your newly completed course to your internal profile, résumé, and LinkedIn.

STEP 2 Share Your Knowledge

Discuss key insights with colleagues to reinforce learning and increase organizational value.

STEP 3 Start Applying Your Skills

Look for opportunities to put new concepts into practice.

STEP 4 Contact Your Instructor

Ask additional questions or receive guidance in applying new concepts to your daily tasks via email or the BechtCONNECT platform.

STEP 5 Review Your Course Materials

Revisit your course notes to strengthen retention. They remain available online.

STEP 6 Keep Going!

Continue growing your expertise by registering for advanced or related courses.
