

Training: Public vs. Private

No matter your organizational goals, Becht has the resources and expertise to make sure you succeed.

Our trainings cover a wide variety of topics, are technology-agnostic, and offer flexible attendance options including in-person, virtual, or hybrid.

Choose one format or both!

Public

Benefits and Features

- Offered year-round, including regular sessions held in Spring and Fall
- Central locations, like Houston, Calgary, and The Hague
- Opportunity to network with subject matter experts and industry peers
- Discount available for groups of 4+

Private (On-Site)

Benefits and Features

- Sessions held at times convenient to your team
- Location arranged with client (typically on-site)
- All public training offerings - but with options to tailor to your site!
- Opportunity to bring together teams from multiple sites
