

# Training: ROI

By investing in training, organizations consistently experience measurable improvements in performance, safety, decision-making, and operational reliability.

 **218%**  
higher revenue  
per employee per  
\$1500 spent

 **57%**  
higher  
retention

 **17–21%**  
gains in  
productivity  
and profit

Experts

## What our clients are saying...

"Our instructor was energetic, professional, and knowledgeable. The information was shared in a way that was easy to follow and understand. **This will help me in my job on a daily basis.**"

Jennifer Watson  
Document Control Supervisor,  
Big West Oil

"What was provided was exactly what we were looking for and more. It even included some nifty macros that **helped automate any changes we may need to make in the future.**"

Sara Weindorf  
Team Manager, NRG Pallas

"The training materials were **high quality and immediately usable.** Becht's post-session support helped cement learning and **drive adoption on the floor.** Overall, Becht acted as a true partner, **elevating operator confidence** and consistency in operations."
